

## **2025 NGA Pipeline Safety Regulation Workshop** **What You Should Know about Natural Gas Pipeline Safety Codes!**

### **UGI Learning Center**

**1049 Stinson Drive, Reading, PA 19605**

NGA is pleased to bring the Pipeline Safety Regulation Workshop (Part 192) Program to you this fall. This 3-day in-person learning opportunity allows you to advance your knowledge of pipeline safety regulations applied to your operations while networking and sharing experiences with your peers.

The course provides a review and practical application of federal regulations in 49 CFR Parts 191 and 192 that apply to distribution and transmission piping systems, taking students through a "what, why & how" approach to federal pipeline safety regulations.

**The class will be held at the UGI Learning Center in Reading, PA**

- **Day 1: Tuesday, October 7th 8am-5pm**
- **Day 2: Wednesday, October 8th 8am-5pm**
- **Day 3: Thursday, October 9th 8am- 12pm**

This is an intense workshop learning experience which will include homework in the evening and a knowledge check at the end of day 3.

**Course instructors are from NGA Staff & The Blacksmith Group / P-PIC**
