Hancock #2	100	99.9
Highland	100	99.5
Minisink #1	100	99.9
Minisink #2	100	99.9
Average		99.8

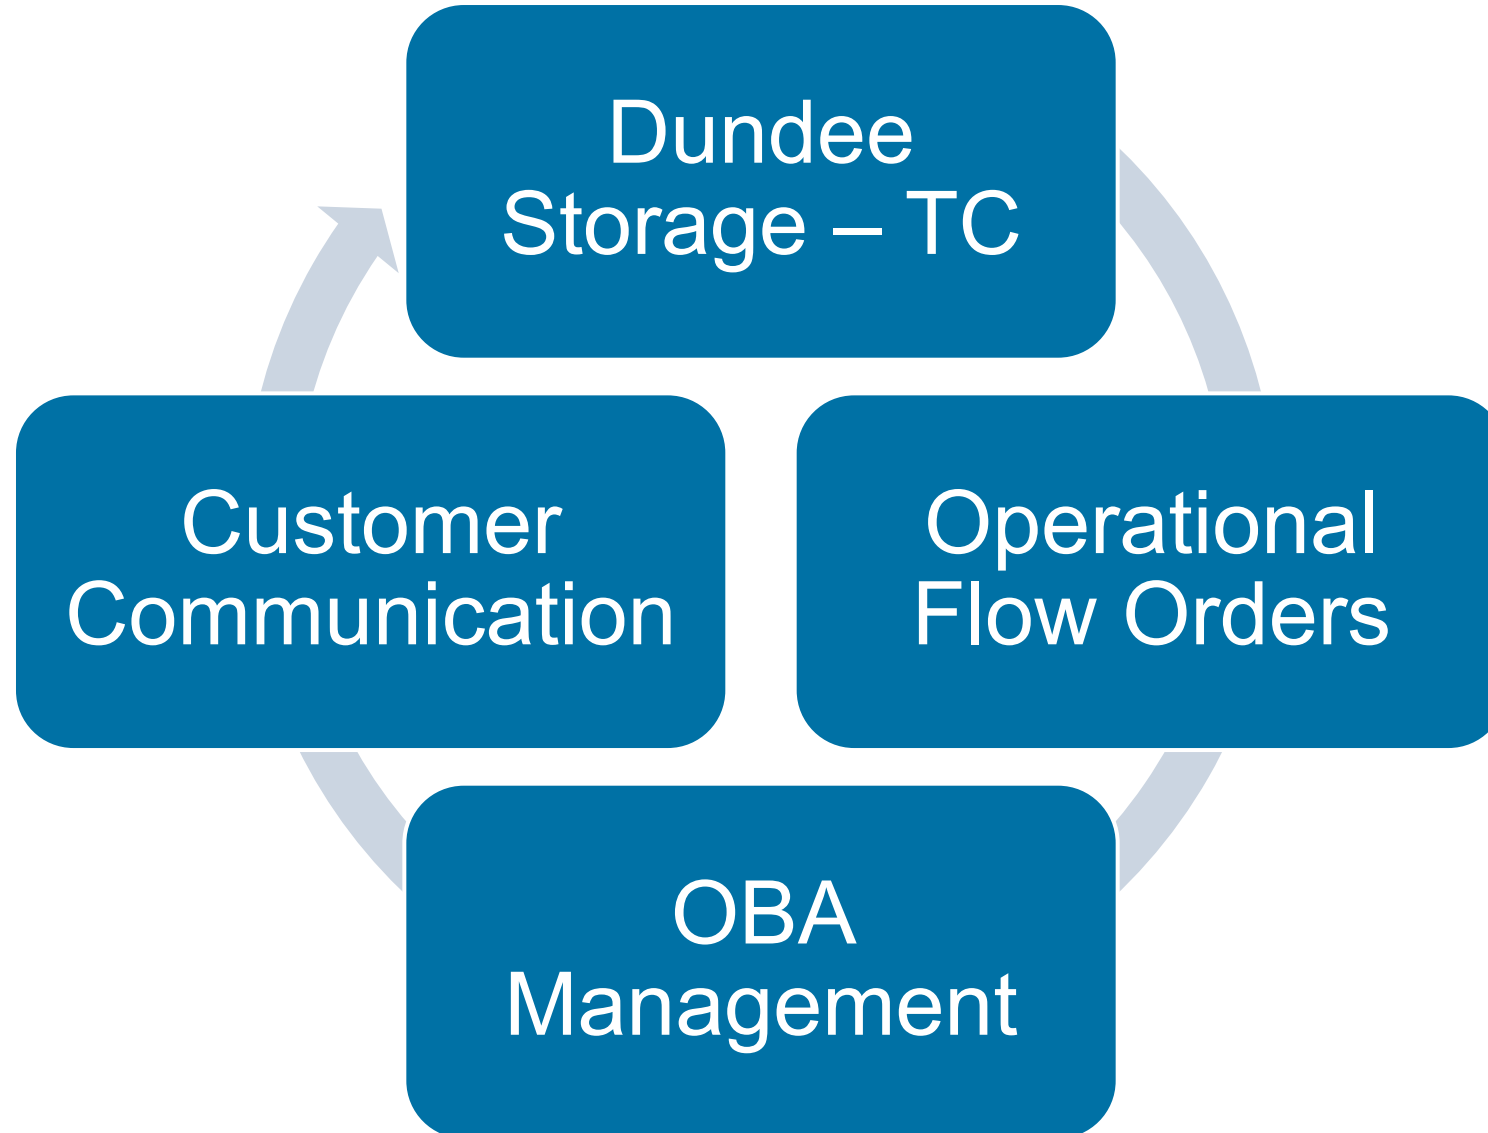

Pipeline Capacity Availability:

Category	Current Month	YTD
Firm capacity	100%	100%

Safety Statistics:

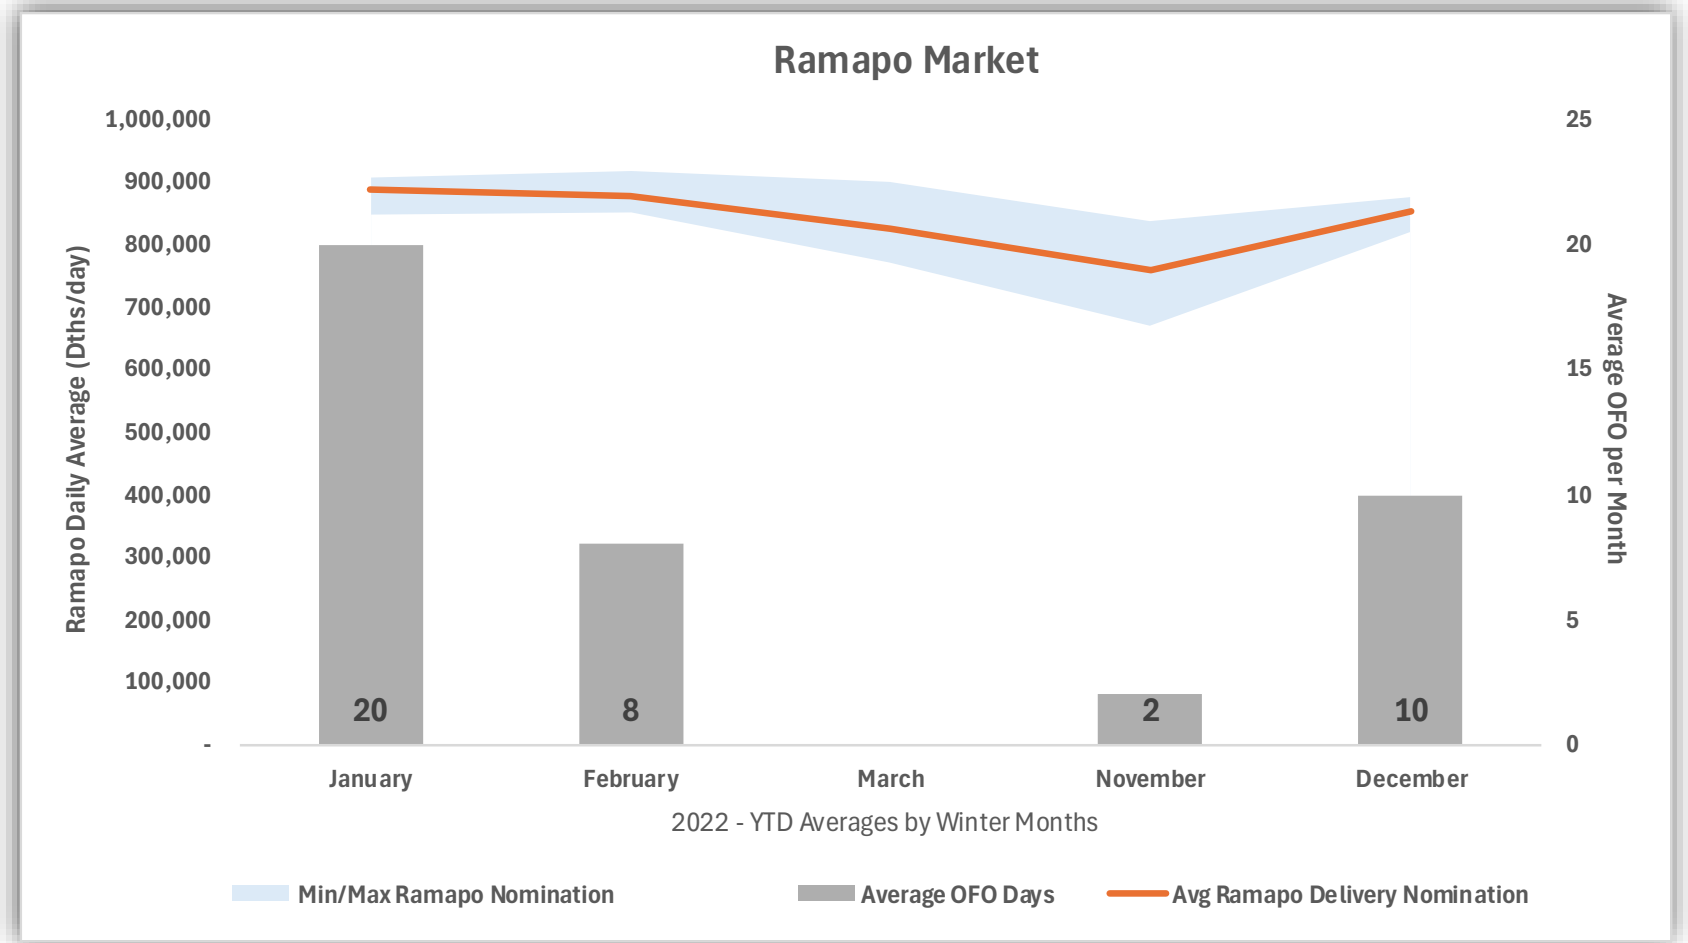

Category	Current Month	YTD
NOPV/OSHA	0	0
Lost Time Injuries	0	0
Vehicle Incidents	0	0

Commercial Winter Preparations

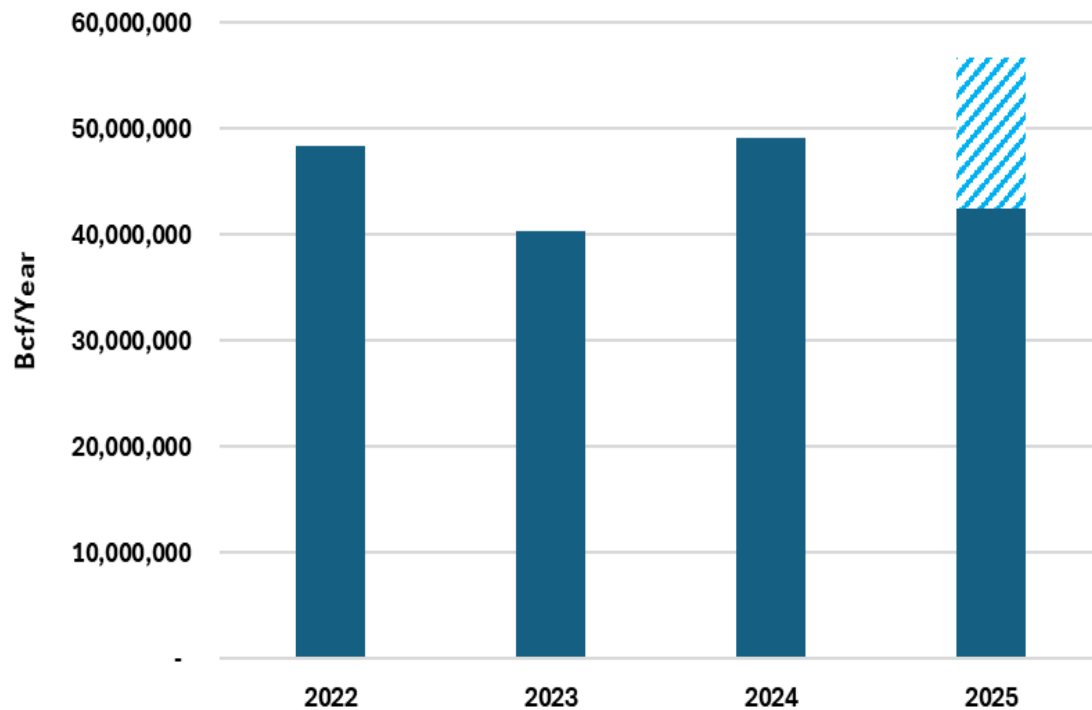

Ramapo – Reliable, Proven Market

- Ramapo continues to prove itself as a reliable market for LDCs & other parties into a highly volatile, TETCO M3 Priced Market
- Strategic coordination with Gas Control allows Millennium to provide dependable access during record cold and summer heat
