

NGA
NORTHEAST GAS ASSOCIATION

2025 EVENTS

SPRING OPERATIONS CONFERENCE

This operations-related conference helps to address current issues, from workplace safety to new technology applications. The 2025 Conference will include sessions on damage prevention, emissions reductions, emerging fuels and technology, and many other relevant topics. In addition, there will be general sessions with industry leaders focused on the future of the natural gas industry.

TARGET AUDIENCE

Natural gas utility operations, engineering, pipeline safety, and operator qualification personnel, natural gas field contractors and vendors, state regulators.

DATES

April 10–11

LOCATION

Hilton Saratoga Hotel
Saratoga Springs, NY

CONTRACTOR WORKSHOP

NGA's Annual "Contractor Workshop" is a great opportunity for contractors and suppliers to meet with utility companies to discuss the regional business environment.

TARGET AUDIENCE

Natural gas contractors, suppliers, and utility personnel that interface with field contractors and vendors.

DATE

April 9

LOCATION

Hilton Saratoga Hotel
Saratoga Springs, NY

REGIONAL MARKET TRENDS

NGA's Annual "Regional Market Trends Forum" addresses current market and policy issues impacting the Northeast market.

TARGET AUDIENCE

Natural gas industry personnel focused on supply planning, energy policy, strategic planning, regulatory and government affairs.

DATE
