

NEW Opportunity for Students – Technology Demos!

Don't miss your chance to learn from industry experts about cutting-edge technology and industry leading practices - register for a tech demo today!

How it Works:

- On Wednesday, June 3, during the 8-9am & 10:30-11:30am classes, school participants may elect to sign up to attend Tech Demonstrations led by industry suppliers, vendors & manufacturers
- Each demo will be 15 minutes long
- Each session will allow for a maximum of 10-15 participants
- School participants that attend 3 demonstrations will be provided with a class credit
- Sign ups can be done prior to the school or at the registration desk

Participating Vendors:
